on other  
side

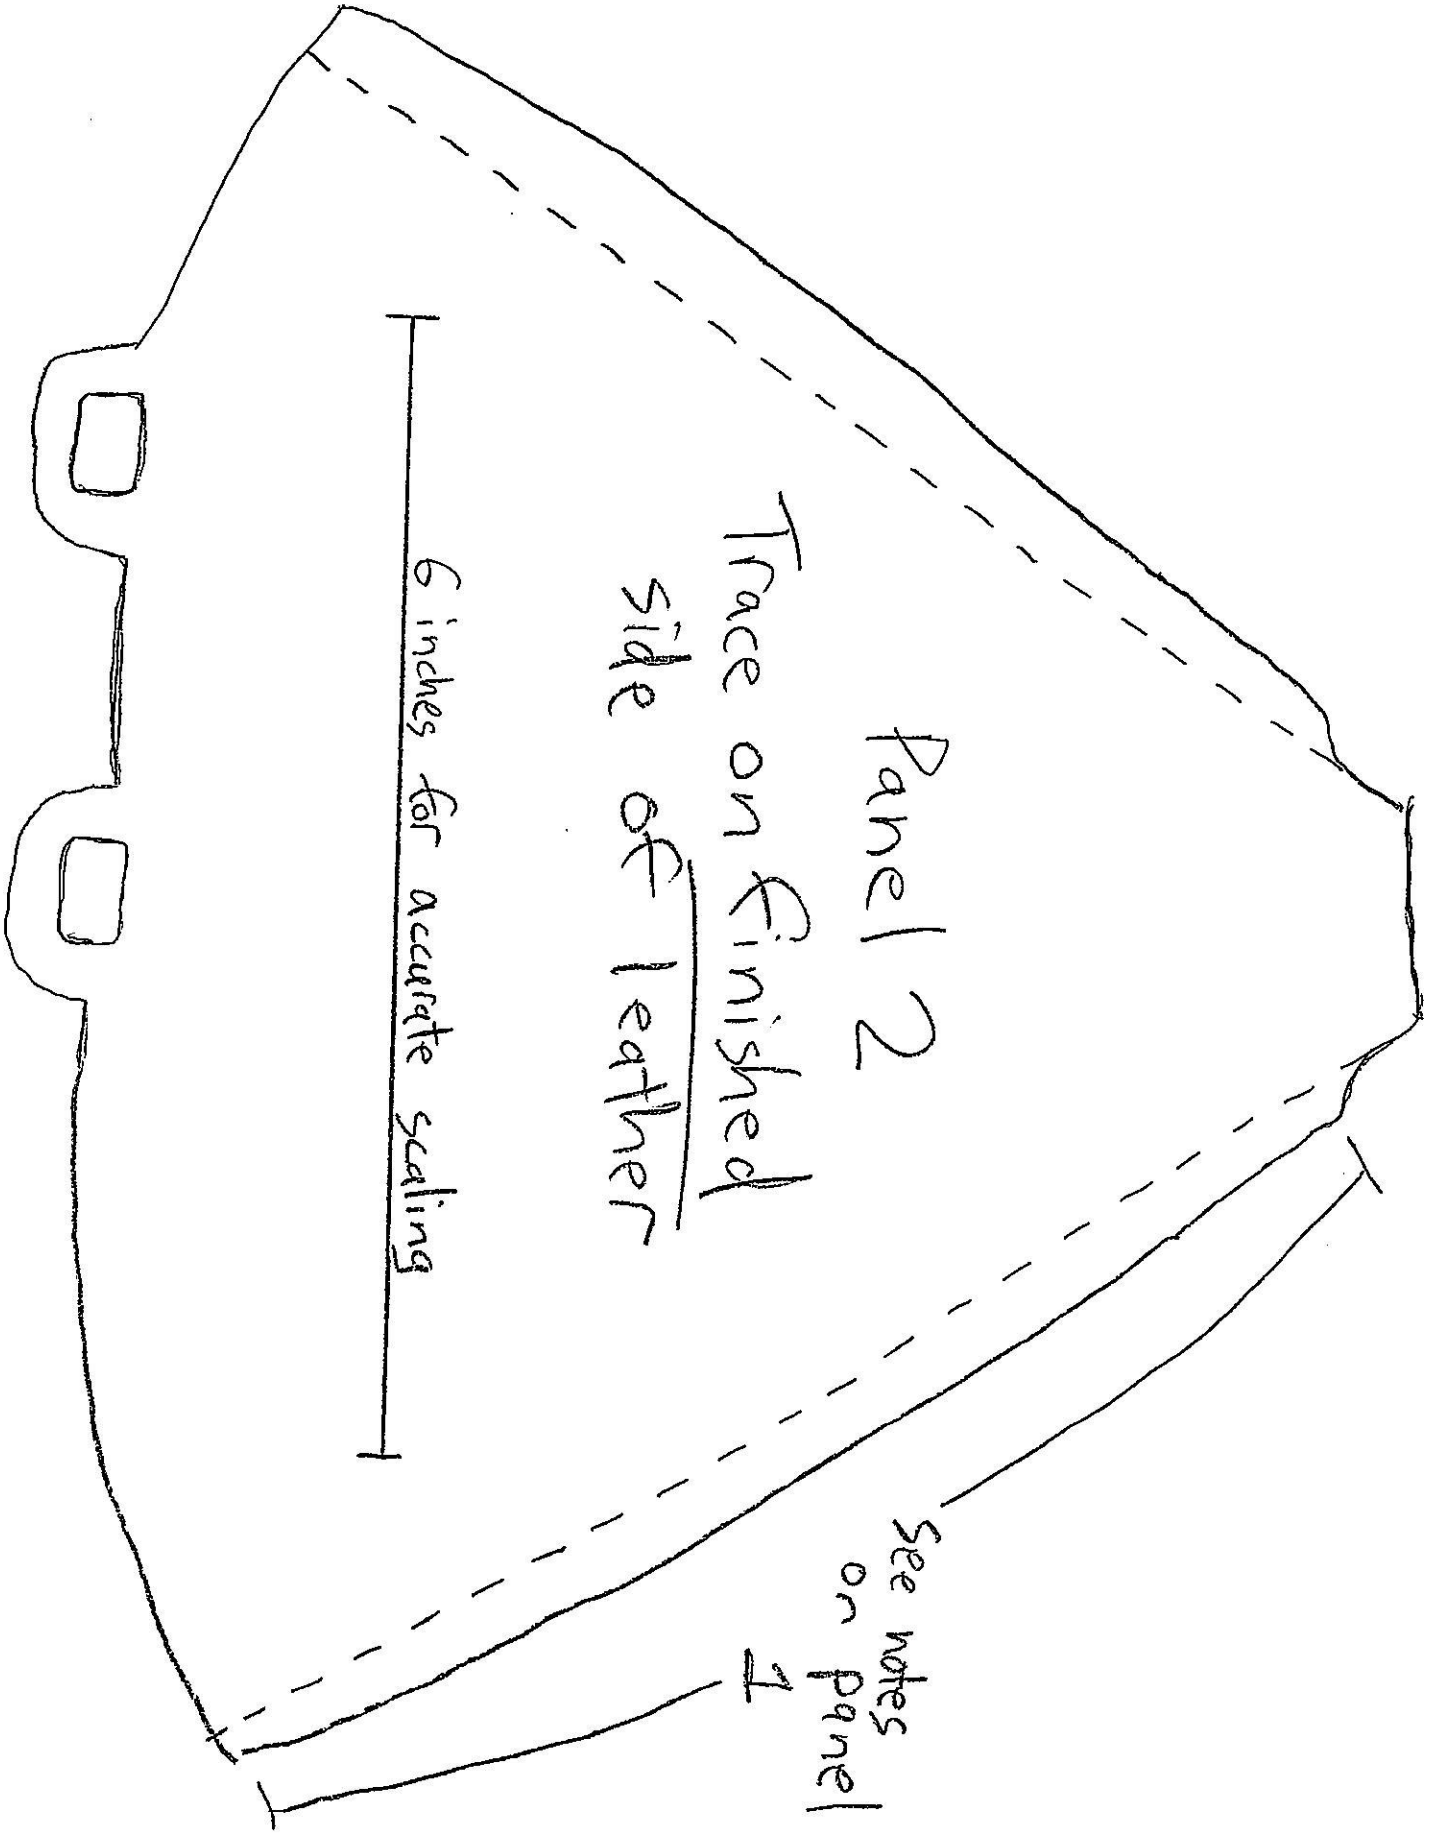

The dotted line  
represents the seam  
where the two panels  
are sewn together

### PANEL 1

Trace on finished side of leather

6 inches for accurate scaling

This edge is  
folded under and  
stitched with  
the finish thread  
so you can cut  
it wider to  
give a little  
more material  
to work  
with

Panel 2
